EXPERIENCE

HuEvent

HuEvent was a start up attempt we made with my friends. We have earned an office at Ekin Kulucka. My responsibilities are back-end of the web app, data science part, dev-ops and the security.

European Rover Challenge

With my friends at Hacettepe University Robotics Society we attempt to build a rover for European Rover Challenge. My task was making the rover autonomous.

SSB IKA

It was an unmaned ground vehicle challenge. My task was to solve maze autonomously.

Freelance

I have done some free lance jobs with JavaScript, nodejs, expressjs, adonisjs, reactjs.

Open Source

Currently, I am developing a couple of open source projects in my spare time, just for fun. I haven't deployed them yet.

INTERESTS

Art and machine learning

Virtualization technologies

The game of go (Also called baduk)

Writing
